## A Warm Welcome to West End

Welcome to West End United Methodist Church! We seek to be the loving light of Christ in Nashville and beyond. We gather as the people of God with a wide range of religious backgrounds, education levels, political and theological perspectives, and we value that diversity. We welcome and celebrate the gifts God has given to all without regard to gender, race, sexual orientation, economic or family status, ethnicity, or mental or physical ability. We believe God loves everyone unconditionally!

## As You Join Us in Communion

The table that is set before us is not the table of this denomination nor is it the table of this congregation. It is the table of our Lord Jesus Christ. Therefore it is a table to which all are invited, including children. We hope that you will feel welcome in this community of faith as we gather to celebrate the Eucharist.

We receive communion in this way: The choir will come first. While they are being served, those sitting in the balcony are asked to come forward by the center aisle. Next, those in the transepts on the right and left sides of the sanctuary will be served. Finally, those in the nave, to the right and left of the center aisle, are invited to come to the table by the center aisle and return by the side aisles. After kneeling at the rail, please extend your hands to indicate your wish to be served.

If you wish to receive communion in the pew, please indicate this to the ushers by raising your hand when they come to the Chancel, which will be when the choir takes communion.

During the serving of the elements, you are invited to join the choir in singing the hymns listed in the bulletin. At this table we give thanks for friends and strangers together in community. Everyone has a place at the table. All are invited.

**July’s Communion Offering Benefits Fifty Forward** - This month’s offering goes to support the work of Fifty Forward. FiftyForward is the leading resource for adults 50+ in Middle Tennessee who seek to live longer, more fulfilling lives. Specifically, this money will go to support their Supportive Care Continuum, helping older adults meet basic needs, as 85% of their clients are at or below 200% of the federal poverty level.
